**“Dolina Korytnicy” Agritourism** is a site of almost 3 hectares, located in the village of Stara Korytnica on the Korytnica River, surrounded by forests and lakes.

The unquestionable charm of the location will allow you to rest like never before and like nowhere else ;-)

Avid runners, cyclists and walkers will love the attractive areas that surround us, mushroom pickers – the abundance of our forests, anglers – our fish ponds. Our wide range of kayaking offers will let you actively spend your time on the water.
